

## 10<sup>th</sup> Grade Honors Summer Reading

The *required* summer reading book is *House Rules*, by Jodi Picoult. Read thoughtfully, and be prepared to engage in a meaningful discussion of the book at some point during the first week of class.

The *optional* book is *The Glass Castle*, by Jeannette Walls. Any student who wishes to read *The Glass Castle* will be tested in the first week, and if he or she scores an 80% or higher on the quiz, he or she will be awarded one extra point on the first quarter average.
