

Research Article Approval Form

For your research article project you must bring in copies of your two articles. The articles you select should be age and grade appropriate.

You must have your parent or guardian sign this sheet and look over your articles.

You must also have your teacher initial this sheet. Finally, you must sign this agreement that these are the articles you will be reading for your project. If you change your mind about the articles you've selected, you must submit a new approval form which is available on my webpage.
