Eden Central School District students will be using individual devices as an integral part of their educational program. It is expected that your child will adhere to the expectations outlined in the Eden CSD 1:1 User Agreement to use their device in a safe and appropriate manner as a learning tool to better their learning experience. These devices are to be used to access students’ educational content, to complete teacher designed learning activities, and to appropriately communicate about learning with peers and teachers. Students are expected to remain diligent in the appropriate care and use of their device.
